

- Members noted that the anticipated savings from withdrawal from the Warwickshire Alliance are being achieved;
- The Panel asked to see the detailed plan to deliver the balanced budget, and how the budget corresponded with the Safer West Mercia Plan.

Having considered the report, a proposal to veto the precept was put to the vote summarised here to form this report to you.

I note that you are required to have regard to the Panel's report and provide a response which will be published; I look forward to receiving this response in due course.

Yours sincerely

Cllr Aled Luckman
Chairman of the West Mercia Police and Crime Panel
