## ACTIVITY PART 1

**Can you write a few paragraphs to explain the following:**

- > What you think were the key points that the creators of the documentary were trying to make?
- > How did they do this?
- > What were they main points of learning you took away after watching the video?

## ACTIVITY PART 4

**Spend some time online researching each of the job roles featured in the programme.**

- Can you create a list of the Skills / Strengths and Qualifications which you think an employer would want you to have on your CV if you were applying for the job roles featured in the selected episode?
