

OVERVIEW

This series of activities will allow students with the opportunity to improve their knowledge and understanding of the world of work. After watching a specific careers related video or documentary students will be required to share their thoughts, feedback and knowledge gained in written form.

This activity will be expanded upon by asking students to conduct some further research into the job roles featured within the videos / documentaries and then answer a series of further questions relating to the job roles / industry sectors which have been featured.

KS3 students will be required to provide basic careers related information as part of this activity.

KS4 Students will undertake similar activities but will also be required to undertake more detailed research which will also include the use of labour market information.

This series of activities will cover the following industry sectors – General Careers / STEM / Hospitality / Creative and Healthcare.

LINKING TO GATSBY BENCHMARKS

This activity will provide links to the following Gatsby Benchmarks:

- > Benchmark 2
- > Benchmark 4
- > Benchmark 7

SUPPORT ON OFFER FROM HUB DELIVERY TEAM

The Worcestershire Careers Hub Delivery Team will produce a series of resource documents which can be used by careers leaders to support the facilitation of this activity.

These resource documents will be specifically focused on activity covering both KS3 and KS4.

The resource documents will be linked to specific careers related videos / documentaries. Students will be able to complete these activities either on a computer where they can enter their answers / research results into free text areas or careers leaders can provide students with the opportunity to offer these as a printed version which can be distributed to students within a classroom environment.

These documents can also be found on the Skills for Worcestershire Website.
