

WORCESTER COSY CLUB IS
NESTLED IN THE CATHEDRAL
SQUARE HAVING OPENED IN
JULY 2017.

We stand proudly over the Cathedral Square in Worcester, a perfect people watching spot is our outdoor terrace, undercover so you can enjoy the elements come rain or shine.

You can find us by entering through the Cathedral Square building and taking the stairs, lift or escalator to the first floor.

Our beautifully tiled bar is lit perfectly to create the perfect ambience for cocktails and tapas. Segregated from our large dining and restaurant area for those who are a little more peckish. Don't forget to look up and get a load of those chandeliers.

We're looking to recruit some bright, bubbly & energetic waiters & waitresses, who are looking for a big challenge with a company who are at the top of their game. This is an extremely exciting role with a multi award winning, recently established restaurant & bar brand that is set for great expansion over the next few years, so don't miss the boat old chap.
