Summer Reading Challenge

Worcestershire libraries are inviting all schools to encourage their pupils aged 4-years-old to 11-years-old to sign up for this year's Summer Reading Challenge.

About the Summer Reading Challenge

The Summer Reading Challenge is the UK's biggest free reading for pleasure programme for children. Taking place annually, the Challenge encourages children aged 4-years-old to 11-years-old to keep reading during the summer holidays.

To support all schools to participate, libraries are offering assembly visits, class visits to/from school. Email: librarieshq@worcestershire.gov.uk to request a visit from our library team. Teachers and practitioners can also access free resources through the Summer Reading Challenge [School Zone](#) and the [Pre-School Zone](#)

The Challenge runs throughout the summer holidays in all Worcestershire libraries from 8 July 2023.

Location

Children can join via their local library, where they can borrow books, attend events, and collect free incentives and rewards. A full list of Worcestershire Libraries can be found here:

[Find a library | Worcestershire County Council](#)

Introducing 'Ready, Set, Read!'

This year's Summer Reading Challenge, 'Ready, Set, Read' is themed around the power of play, sport, games, and physical activity. Through activity challenge cards from the Youth Sport Trust, and an exciting, themed book collection, the Summer Reading Challenge aims to keep imaginations moving over the school holiday. By participating in the challenge young people will have the opportunity to explore new reading material, develop skills, and discover new interests.

Please visit: www.worcestershire.gov.uk/summerreadingchallenge for more information.

Early Years Foundation Stage Consultation

The Department for Education has launched a consultation on the EYFS, proposing to make the framework more practical for different types of EYFS providers. The aim is to:

- offer providers more flexibility
- reduce known burdens
- enable practitioners to provide high-quality Early education
- make it easier for practitioners to join the workforce and progress their careers

A summary of the proposed changes can be found here: [Summary of changes - Early Years foundation stage regulatory changes consultation](#)

Responses to the consultation must be made via the _____ platform by

Universal Credit Childcare Payments

From 28 June 2023, the Department for Work and Pensions will raise the amount that parents in Great Britain can claim back monthly for their childcare costs on Universal Credit, up to £951 for one child and £1,630 for two or more children. This is a rise of 47%.

At the same time, the Government will help eligible parents cover the costs for the first month's childcare when they enter work or significantly increase their hours.

Further information about the changes can be found here: [Massive boost to childcare payments marks first step in largest ever expansion of childcare - GOV.UK \(www.gov.uk\)](#)

Ofsted Complaints Consultation

Ofsted have launched a consultation regarding post-inspection arrangements and complaints handling. They propose to:

- enhance on-site professional dialogue during inspections to help address any issues before the end of the inspection visit
- introduce a new opportunity for providers to contact Ofsted the day after an inspection if they have any unresolved concerns
- introduce new arrangements for finalising reports and considering formal challenges to inspection outcomes
- replace our current internal review process with a direct escalation to the [Independent Complaints Adjudication Service for Ofsted \(ICASO\)](#) and add a new periodic review of closed complaints, using external representatives from the sectors we inspect.

For further details and to respond to the consultation, please use the following link: [Ofsted Consultation 2023](#) and submit your response by .

Apply for support from the DfE Childminder Mentor Programme

The Department for Education (DfE) is offering a programme of support for childminders across England, from May 2023 until July 2024. [The Childminder mentor programme](#) is focused on supporting childminders to address the impact of the COVID-19 pandemic on the youngest and most disadvantaged children.

By joining this programme, you will receive support from experienced Early Years practitioners who have at least three years' experience as a childminder or supporting childminders, in the roles of Area Lead and Mentor.

The support is and available across England.

You will also have the opportunity to network with other childminders in your area who are part of the programme and also the Department for education, local authorities and other Early Years providers.

To be eligible to receive support from the DfE Childminder Mentor programme, childminders must be providing childcare to children aged between 0 to 5 (to at least one child).

[Hempsall's](#) is here to manage the recruitment of Area Leads and Mentors, including the application assessment and interviews, and to match them to childminders to support. We also design and

You can apply for support as an individual, or with other childminders as part of a small group (of up to 4 people).

Please read the document [here](#) for more information on the programme, including the amount of support on offer and the main aims of the programme.

Further information

You will be notified if you have been selected to receive support for the autumn term by

If you are not selected for the summer term, there may be further opportunities to receive support later in the programme. Any enquiries should be sent to childminders@hempalls.com

How we will use your data

Your application will be sent to Hemsall's. We may notify your local authority that you have applied for the programme and, with your permission, share the information you have provided with them.

Your data is protected under the [DfE privacy notice](#) for the programme.

Be Tick Aware

As we head into spring and summer, we are reminding people to be 'tick aware' as they enjoy the great outdoors.

Ticks are small, spider-like creatures that are found in leafy, grassy areas and feed on the blood of animals and humans.

Ticks can carry infections and while [Lyme disease](#) is more common in the UK there has recently been a [confirmed a case](#) of tick-borne encephalitis (TBE) in England.

To remind people how to stay safe from Ticks this Summer, the UKHSA blog can be shared: [Tick-borne disease in the UK: stay safe this spring and summer - UK Health Security Agency](#)

Hot Weather Guidance

The UK Health Security Agency has worked in collaboration with the Met Office and Cabinet Office to produce an updated collection of guidance and advice on [hot weather and health](#). This includes updated [guidance on looking after children and those in early years settings](#) during heatwaves which will enable you to plan for weather events and limit business and importantly education continuity impact.

Please note the system has changed for triggers and a dedicated platform for issuing heat-health alerts and cold-health alerts has also been established. You can receive these alerts by completing this [online form](#).

Oral Health Guidance for Early Years Practitioners

Nearly a quarter of 5-year-olds in England have tooth decay – but this is largely preventable. [New oral health guidance from the Department for Education](#) is now available on the Help for Early Years Providers website.

The guidance:

- explains the importance of good oral health for Early Years children
- helps practitioners to meet the oral health requirement in the Early Years Foundation Stage statutory framework
- includes practical tips and activities to use in Early Years settings
- links to further reading and resources

Keep Me Safe Launch Events

Keep Me Safe.... will launch in Herefordshire and Worcestershire on

The [Keep Me Safe Strategy](#) aims to provide consistent and co-ordinated messages to practitioners across Herefordshire and Worcestershire about a particular safeguarding theme to reduce the numbers of children who are seriously injured or die across the two counties.

The first theme is [Sudden Infant Death Syndrome \(SIDS\)](#). Although Sudden Infant Death Syndrome (SIDS) is now very rare, approximately 200 babies still die every year. The risk of babies dying from SIDS is reduced if the clear messages developed from research are followed. It is important that all practitioners and professionals are delivering the same clear and consistent messages to support families to understand how to avoid the specific risks to their baby.

The NHS Integrated Care Board team will be offering online briefings in the week prior to and week of the Keep Me Safe launch, so that professionals can learn more about the strategy, messages and resources available.

Join the Keep me Safe Launch briefings to learn more.
