5. Environmental Sustainability

We want to understand if the project activity and project outcomes will have an impact on environmental sustainability. Please be mindful that the Council has committed to reduce its emissions to net-zero by 2050 and most projects are likely to have an impact on this target. This should be a key consideration in your project delivery and should be reviewed when completing the screening documents

Could this project have an impact on the categories listed below?

Greenhouse Gas (GHG) Emissions (including CO2) No
